MEMORANDUM FOR: Acting Director of Central Intelligence

SUBJECT: Nominations for the National Defense Executive Reserve

1. This memorandum contains a recommendation submitted for your approval. Such recommendation is contained in paragraph 5.

2. Pursuant to Executive Order No. 10660 of 15 February 1956, and to orders issued by the Office of Defense Mobilization, which establish on a Government-wide basis a National Defense Executive Reserve, the CIA Career Council considered the activation of a unit of this reserve for the Agency. The Council concluded that it would be desirable for the Agency to participate in this program.

3. Persons designated as Executive Reservists will be recruited for the Agency through the Office of Defense Mobilization. They will be provided with a general knowledge of what they are expected to do and will be kept currently informed about their responsibilities and the policies of the Agency. They will receive an initial orientation and a periodic reorientation whenever determined to be advisable including participation in the testing of mobilization plans at the relocation site.

4. The Deputy Director (Intelligence) has nominated from among his consultants and staff, the individuals named in the attached memorandum.

5. It is recommended that these individuals be approached by the Agency to determine their possible interest in and availability for National Defense Executive Reserve and that formal invitations be sent to those who will find it possible to serve in this capacity.
